

WOJSKOWY INSTYTUT MEDYCZNY W WARSZAWIE

INFORMATION ON THE PERSONAL DATA PROCESSING IN THE MILITARY INSTITUTE OF MEDICINE IN CONNECTION WITH THE AMULET PROJECT IMPLEMENTATION

Pursuant to article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (GDPR) we would like to inform you that:

1. The Military Institute of Medicine is the controller of your personal data, with its seat in Warsaw in 128 Szaserów street 04-141 Warsaw and is represented by the Director of the Military Institute of Medicine.
2. A Data Protection Officer has been appointed at the Military Institute of Medicine. Email contact: ochrona.danych@wim.mil.pl;
3. Your personal data will be processed for the purpose of communication pursuant to art. 6 (1) (b) GDPR.
4. The employees of the Military Institute of Medicine and casusBTL Group will be the recipients of your personal data.
5. Your personal data will be stored for the period necessary to achieve the purposes of processing and also in accordance with the document retention period laws.
6. You have the right to assess your personal data, right to rectification, right to erasure, right to restriction of processing, right to data portability and right to object.
7. You have the right to lodge a complaint with a supervisory authority if you consider that the processing of personal data relating to you infringes GDPR.
8. Personal data processing concerns:
 - a) your name, surname and email address – for the contact form;
 - b) your email address – for downloading the monograph.
9. Providing personal data is voluntary, but failure to do so will result in making it impossible to communicate on the basis of art. 6 (1) (b) GDPR.
10. The controller will not transfer your data to third countries and international organizations.
11. The controller will not make decisions concerning your personal data based solely on automated processing, including profiling.
